Bondy Poorasveensingh

Dear Mr Bondy,

Supply, installation and commissioning of a 3.5 kWp PV system

We have the pleasure to submit our best priced offer for a 3.5 kWp PV system using the proven Solaredge and Jinko Solar solution. We will supply and install Jinko Solar PV Panels of 345W, thus providing a total power of 3.5 kWp. The inverter to be installed is the SolarEdge SE3000H with power optimisers P370 to each panels.

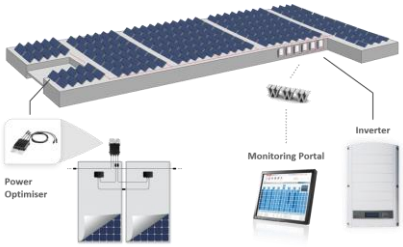

We trust that our proposal meets with your requirements and we look forward to your approval and confirmation of same. We remain at your service for any additional information you may require and thank you for your kind consideration.

Yours sincerely

Sameer Ruhomaun
Operations Manager

The GO Solar advantages compared to a typical standard PV system are highlighted as follows:

<h2>PV Modules</h2> 	 <ul style="list-style-type: none"> • Top Tier 1 PV World's leading Manufacturer • Listed on New York Stock Exchange (NYSE) • 25 Years Linear Production Manufacturer's Warranty 									
<h2>Inverters</h2> 	 <ul style="list-style-type: none"> • Solaredge warranties <table border="1" data-bbox="785 920 1396 1055"> <thead> <tr> <th></th> <th>Standard Warranty</th> <th>Extended Warranty</th> </tr> </thead> <tbody> <tr> <td>GO Solar/ Solaredge</td> <td>12 years</td> <td>Additional 8 years at extra cost</td> </tr> <tr> <td>Other</td> <td>5 to 10 years</td> <td>?</td> </tr> </tbody> </table> <ul style="list-style-type: none"> • Free and unique unparalleled safety feature with rapid shutdown offering protection of your building assets in the unlikely event of fire or cabling fault. • Production higher than other typical PV system as partial shadowing of one panel does NOT impact on full production of an array or string of panels. 		Standard Warranty	Extended Warranty	GO Solar/ Solaredge	12 years	Additional 8 years at extra cost	Other	5 to 10 years	?
	Standard Warranty	Extended Warranty								
GO Solar/ Solaredge	12 years	Additional 8 years at extra cost								
Other	5 to 10 years	?								
<h2>Balance of System (BoS)</h2> 	<ul style="list-style-type: none"> • Free cloud based monitoring with free mobile phone applications, thus facilitating remote monitoring and quicker proactive maintenance. • Properly designed and sized switchgears, cabling and protection devices. • Properly designed and mounted racking structure to meet local weather requirements. • Fully compliant to CEB Grid Code requirements. 									

PROJECT PRICE REF GSL62_SSDG3_SC_SR1

GENERAL TERMS AND CONDITIONS

UNLESS OTHERWISE STATED, our offer is subject to the following.

1. PRICE quoted is ex our stores.
2. TERMS – detailed as per conditions of quotation.
3. CREDIT SALES – Interest at 2% per annum above commercial bank rate will be charged on all overdue payments from the due dates.
4. FLUCTUATIONS – items quoted for delivery other than ex stock are subject to any fluctuation in manufacturer's F.O.B price freight, marine insurance, duty, landing crane fees and local transport charges.
5. RATES OF EXCHANGE – Our offer is made on the basis of rate of exchange existing on the date of our quotation (1 USD = Rs 36.00) and is subject to any fluctuation in rates existing on the date on which the sums payable to the manufacturer are actually transferred to this latter.
6. PRIOR SALES – Offer for items ex stock are subject to previous sale.
7. CONFIRMATION – Offers for items to be ordered from suppliers are subject to confirmation by suppliers on receipt of the order by them.
8. PRICES & DELIVERIES FOR ITEMS OFFERED, OTHER THAN EX-STOCK – Are indicated in all good faith in the light of latest news from the principals. It must however be emphasized and accepted by the customer – that we have no control over escalating costs of manufacture and/or shortages or delays in supply of raw materials and late deliveries for any reason whatsoever. We must therefore reserve the right to claim.
 - a. The price ruling when the order is confirmed by our Principals.
 - b. Any excess imposed by our Principals after confirmation but up to the time of invoicing.
 - c. We must also specifically repudiate any responsibility for late delivery attributable to causes beyond our control.
9. MANUFACTURER'S WARRANTY – All items are offered with the usual manufacturer's warranty conditions in force at the time of delivery.
10. FORCE MAJEURE – Our offer is subject to safe arrival of the carrying cargo ship and force majeure.
11. LIABILITY & RESPONSIBILITY – The com company will not be responsible for any claims on consequential losses resulting from non performance of machines or equipment sold and limits its responsibility to the actual cost of repair or replacement at its option of the machines or equipment sold.
